

Did you hear?

Advanced Urology Institute has our own Catheter Program!

Our integrated catheter supply service offers our patients using urological supplies **many** benefits

Fewer Steps = Less Hassle

As your provider, we have your order and refill documentation on file. No need to wait for prescriptions to be received, documentation to be requested, and absolutely no phone calls from a third party.

No Extra Cost

Whether you use Advanced Urology Institute or another supplier, your usual coinsurance and copay stays the same.

Fast Delivery

Our team processes your order and ships supplies to your doorstep or clinic of your choice for pick-up, arriving in 2-3 business days, depending on the terms of your insurance contract.
